

Busy Butterflies Education and Care

Holiday Notification Form

Holidays are an exciting treat we all look forward to. Let us know when your child will be going on holidays so that our office can reflect this on your child's attendance sheet and inform your child's educators and their friends. Our educators can talk about your child's holiday plans and arrange activities to enhance the learning experience.

We hope you enjoy your well-deserved break and look forward to hearing all about your holiday when you return. Safe travelling!
